

With Rotary Club of Sarasota Foundation support to The Literacy Council of Sarasota, we have been hosting parent classes at Wilkinson Elementary School this summer...here's a link to our posting on Facebook about it (complete with Rotary & Foundation signage/credit!):

Tom Melville, Sarasota Literacy Council

Jean thanks all Rotary friends who chipped in to send her this wonderful flower arrangement. She is physically doing very well getting around on her walker. In a couple of weeks she should be walking alone. Mentally, she has already arrived back at her former self. A day or two ago, I had to order her out of 'her' kitchen so I could prepare dinner.
