THIS WEEK'S PROGRAM

HIPS AND KNEES

Sean Dingle, MD is a board-certified orthopedic surgeon and a fellow of the American Association of Orthopedic Surgeons (FAAOS). He is also a member of the American Association of Hip and Knee Surgeons, a select group of orthopedists from across the United States dedicated to progress and innovation in the care of hip and knee arthritis. Dr. Dingle has been a member of the Kennedy-White Orthopedic Center since 2003. His specialty interests include arthroscopic and reconstructive surgery of the knee and hip. He also has extensive training and experience in treating complex orthopedic trauma.

After growing up in South Florida, Dr. Dingle attended the University of Florida for his undergraduate education. While there, he earned a BS degree in zoology and was elected to the Phi Kappa Phi Honor Society. He later earned his medical degree from the University of South Florida College of Medicine, where he was elected to the prestigious Alpha Omega Alpha medical honor society.

Dr. Dingle completed his internship and orthopedic residency at Orlando Regional Healthcare System. During his chief residency year he was selected Resident of the Year from all residents in all specialties. Dr. Dingle is now a clinical professor for the Florida State University Medical School and participates in the education of third- and fourth-year medical students. He has published articles in the Journal of Bone and Joint Surgery and the Journal of Musculoskeletal Medicine.

Dedicated to medical leadership, Dr. Dingle has served as both Chief of Orthopedics and Chief of Staff at Sarasota Memorial Hospital. He continues to serve on numerous committees devoted to improving medical care.

PREVIOUS MEETING (11/20/2019) BY RON RAYEVICH

After our scheduled speaker, Dr. Daniel Case, had to cancel as the result of an emergency surgery, our own **Pam Akins** stepped in and presented an excellent program, complete with a power point presentation with Barry assisting on the projector. The topic of Pam's presentation was **The Rotary Foundation**, the philanthropic arm of Rotary International, who's motto is "Doing Good In The World". The six fold mission of **TRF** is to: Promote Peace, Fight Disease, Provide Clean Water and Sanitation, Support Education, Save Mothers and Children, and Grow Local Economies.

15,000 children die each day of preventable causes as the result of poor drinking water and sanitation and disease. Through **TRF** we can help support Polio Plus, which has saved 18 million children from the scourge of paralysis and possible death, and 100 Peace Scholars to earn master's degrees and support the mission of world peace. TRF is also able to provide Global Grants and support District Designated Funds for both local and international projects, such as our One Book Initiative and School Food Pantries as well as for water, sanitation, and health projects in Haiti, Guatemala, and the Philippines. Thanks, **Pam**, for stepping in to provide our club with an interesting and practical understanding of **TRF**.

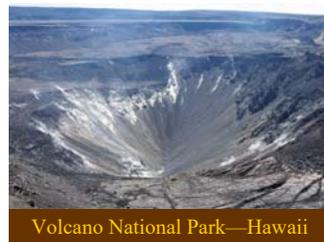

NEXT YEAR'S CONVENTION WILL BE IN HONOLULU, HAWAII!

Saturday, June 6 through Wednesday, June 10. Consider attending and taking some tours before and/or after guided by or with the advice of our own **Garret Grace**, past president of the Rotary Club of Honolulu?

JRH says it is not too early to make plans, and you should believe him. More than likely it would be an unforgettable experience.

Diamond Head—O'ahu

Volcano National Park—Hawaii

NOTICE

To stimulate public awareness and give the public an opportunity to participate in helping Sarasota County students achieve top place in the State's third grade reading level (in systems with over 2,000 students), an on-line campaign is underway. It would be helpful for Rotarians to help us lead the way by making others aware of this goal.

CLUB MEMBERS ARE NOT TO FEEL PRESSURED TO CONTRIBUTE MORE THAN THEY WISH TO.
